

PROFILE OF DR. MARIA CRISTINA MAGLI

Dr. Maria Cristina Magli, MSc – Coordinator Research Laboratories In S.I.S.Me.R. since 1995

Maria Cristina Magli is Coordinator of S.I.S.Me.R. Research Laboratories since 1995. In 1989 she obtained a Master in Immunological Sciences from the Instituto Venezolano de Investigaciones Cientificas, Caracas, Venezuela. Dr. Magli has been working in the field of Reproductive Medicine for more than 25 years and she has been Certified as ESHRE Senior Clinical Embryologist since 2008. Together with Dr. Luca Gianaroli, she was one of the first scientists in Europe to work on the clinical application of PGT techniques, and she is still actively involved in this field. She is author or co-author of more than 230 papers in national and international journals and she is member of several scientific societies in the fields of Reproductive Medicine and Biology. In particular, at present, she is Chairman of the European Society of Human Reproduction and Embryology (ESHRE).
